Artistic Director

A Denver native, Stephanie has dedicated her life to the Denver dance community. She has trained with the country's finest instructors and has an extensive dance resume. Stephanie works closely with Radio Disney's street team as their choreographer. She has danced as a Denver Nuggets Dancer, as a Denver Broncos Cheerleader (captain and pro bowl representative), in musical theatre, in music videos, in corporate/industrial events, and at many social and charity functions. Although Colorado is her favorite place to perform, a few of her most memorable performances have been in Mexico, Spain, Japan, and Hawaii. Stephanie just completed the Impact Denver Program through the Denver Metro Chamber of Commerce. Last year Stephanie was honored with the Denver Business Journal's exclusive "Forty under 40" award for exceptional business people, & lifetime achievement award for Excellence in the Arts from the City of Arvada. Stephanie continues to perform as well as teach, many times along with her own performing company. Stephanie loves sharing her dance knowledge and experience with her students at her home, Cherry Creek Dance.
