ONLY \$350 for 3 weeks!

The Professional Cheerleader Workshop is designed to prepare you for an audition.

We will cover dance technique, learn 2-3 one-minute routines, review your headshots, discuss resumes, and assess proper audition attire in addition to appropriate business attire you may need for an interview. The workshop will entail preparation for a professional interview including football facts and public speaking tips. You will also receive hair and make-up consulting, a CD of the music used for routines you learn and a video of your performances.

Experience the exhilaration of auditioning when we provide you with a mock audition in front of judges followed by a critique of your try-out! Jazz, technique, and strength classes are already included. Ask about adding on hip hop classes too!

Recommended classes for the month of February are Mondays 7:15-9:15 and Thursdays 7:30-10:00
